

# I-94/I-69 Reconstruction Detour in St. Clair County

## Water Street Ramp Closed to Eastbound I-94/I-69

March - September 2011

### What Is Being Done?

The Michigan Department of Transportation (MDOT) is investing approximately \$90 million in St. Clair County to widen and reconstruct 2 miles of eastbound and westbound I-94/I-69 between Lapeer Road and Pine Grove Avenue in Port Huron. Work includes replacing the I-94 bridge over the Black River, new interchanges and replacing the I-94 overpasses at the Lapeer Road connector and Water Street. The work on Water Street requires closing the ramp to eastbound I-94/I-69 for utility replacement and pavement reconstruction.

### Detour Information

Motorists that use the Water Street entrance ramp to access Port Huron should use the following:

- Continue on Water Street over I-94;
- Head west on the I-94 access road to the Lapeer connector and turn left;
- Head south on the Lapeer connector to Lapeer Avenue and turn left;
- Follow Lapeer Avenue to 7th Street (Erie Street), turn left;
- Follow Erie Street to Pine Grove Avenue.
